Help celebrate **National School Breakfast Week** **March 3-7!**

Studies show that students who eat school breakfast are more likely to:

- Reach higher levels of achievement in reading & math
- Score higher on standardized tests
- Have better concentration and memory
- Be more alert and maintain a healthy weight

But when the school week gets busy, it's easy for students to rush out the door in the morning without having a nutritious meal. That's why school breakfast is such a great option!
